

SafeLadder in wells

SafeLadder dans un puit

SafeLadder en pozo

SafeLadder im Grube

Code N° SAL001-SAL005 /SAL023

FALLPROTEC

April 2018

Description

To secure the access into wells, the SafeLadder can be equipped with a foldable part. It raises a 110cm to provide a secure access and blocks the entrance when not in use.

Advantages

- Intuitive use
- Integrated fall arrest rail
- Rigid and stable ladder
- Standard brackets in various lengths
